\$130,000 in Coins In Theft Loot; Women Robbed

Collections Stolen From Two Apartments In Same Building

Theft of two coin collections from separate apartments in the same building—one collection with a value of \$120,000 and a r.m.e. robbery of two women in the loot included an \$150 diamond ring were among a series of weekend crimes reported in this area.

A \$200 coin collection and other items were stolen in a burglary at the apartment of Terry Hendrickson of Apt. 3, 1810 August street, he reported at 1:15 p.m. Friday. Method of entry was unknown.

The money included \$550 in \$1 and \$5 certificates, red-seal \$5 bills, \$100 in Kennedy and eagle half dollars, \$150 in quarters, some of which were old, \$100 in silver dollars and in mercury dimes, \$100 in nickels, five old dime dollars and \$200 of old assorted coins.

Also missing was \$15 from a wallet in a drawer, a Granite City high school class ring, an initial ring and a watch, all valued at \$110.

Stolen Coins Totals
A coin collection totaling \$100 and a metal ice bucket were stolen from the apartment of Beverly Kneibitz of Apt. 1, 1810 August street, he reported at 5:30 p.m. Friday. Method of entry was unknown.

Sherry Williams, 3 National avenue, State Park, Place, reported to the Madison county sheriff's office at 10:15 p.m. Sunday that she and a house guest, Shirley Lynn, were robbed by two men who knocked on the door and displayed a revolver.

The men entered about 8:15 p.m., took the two women with a clothes line and ransacked the house for about 45 minutes. Taken were a brown leather purse containing a diamond ring valued at \$150, three coats, two rings, a watch and a portable radio.

\$300 Burglary
About \$300 in \$20 and \$1 bills was stolen in a burglary of the home of Barbara Whitson, 3221 Wayne avenue, it was reported at 10 p.m. Thursday by a friend who had found the front door open.

Obtaining a flashlight from a neighbor, the friend entered the house and heard a noise in the back bedroom. He ran back to the home of the neighbor to phone police, and the intruder fled. The kitchen door had been kicked in.

Catherine Walcowski, Belleville, reported by mail at 9 p.m. Thursday that while she was at the Colonades Nursing Home in January, her engagement ring which she had placed in a

New GC Tax Rate Set at \$1.044; Increased 4.9¢

Granite City's 1969 corporate tax rate on which tax bills will be based for collection this year has been set at \$1.044, an increase of 4.9 cents per \$100 assessed valuation over the 99.5-cent rate applied last year.

County Clerk Eulalia Hotz announced today.

Miss Hotz said the Granite City rate extension was completed by her tax department this morning and has been forwarded to Granite City Comptroller Robert Stevens for final approval before tax extensions are begun. She said if the new rate computations are approved by the city, extension work will begin next week.

The new rate is based on a total Granite City property valuation of \$176,539,287, up \$2,770,537 over last year's assessment of \$173,768,430. The new rate is for the city only.

General Fund Unchanged
The general fund rate this year is unchanged at 25 cents and the garbage fund rate remains the same at 10 cents, Miss Hotz said. Both are the legal maximum rates for these accounts.

The fire protection rate, however, is set at 15 cents, up 1.2 cents. The new rate for street purposes is 6 cents per \$100 assessed valuation, a drop of four cents.

For firemen's pensions the new rate of 5.66 cents is up 1.11 cents. The new rate for bonds and interest is 13.67 cents, an increase of 1.55 cents.

The rate for the municipal retirement fund is set at 3.57 cents, an increase of .33 of one cent. The same rate of 3.57 cents also is set for street lighting, also an increase of .33 of one cent.

4 Parked Cars Looted In GC Saturday Night
Autos owned by four residents of Harvey Apartments off Sara avenue were looted Saturday night while parked on a lot in

Richard Wardlaw, Apt. 47, and Velman Stark, Apt. 105, reported the theft of \$200 sets of wheel covers off their autos; Walter Dillard, Apt. 41, reported four hubcaps were stolen off his car. Fred Schmidt, Apt. 3, said thieves took the radiator off his 1967 auto.

Wheel Covers Stolen
John Kromary, 2409 O'Hare avenue, reported Sunday morning that thieves stolen the four wheel covers off his 1960 auto parked in front of his home.

Partney Outlines Proposal to Curb GC Sewer Breaks

A plan of action to prevent further sewer breaks, which have cost Granite City \$906,266 in 1968-69—even if a bond issue is necessary—was urged again by Mayor Partney in a letter-report sent out late last week to council members.

The mayor stressed that in the 15 years operation of the Nameki sanitary sewer system—that originally cost \$1,535,000—the city has spent more than that amount—\$1,627,418—for repairs.

"We need a plan for repair and replacement of defective sewers and to provide funds—if necessary a bond issue," the mayor stressed.

Outside Help Urged
"I would suggest that we contact the following engineer firms for advice and cost to develop a plan of action," Crawford, Murphy & Tilly; Horner & Shifrin; Sheppard, Morgan & Schwaab; and Russell & Axon," the mayor stated in the letter.

In the six-page letter to council members, the mayor outlined the history of the annexation of the Nameki area to the city in 1949 and the development of the sewer system. The total \$1,535,000 revenue bond issue is to mature by 1994 for the system which includes 103,314 lineal feet of sewers.

"Ordinance 1517 provides for employment of consulting engineers, who may be the city engineer, to supervise and maintain the sewer system and to make annual reports on its condition," the mayor stated.

"The city has paid \$34,298 to Research Planning & Design Associates for engineering on the Nameki sewer system. I would suggest these monies be transferred from the Nameki reserve fund to the city's general fund."

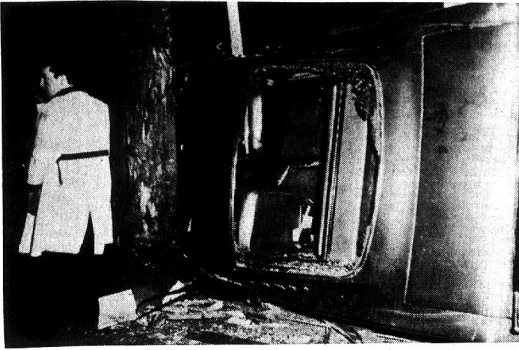

Drainage a Necessity
"I feel the council should request the East Side Levee and Sanitary District provide the necessary storm water drainage in the Nameki area as outlined in the May 31, 1961, engineering report made by Sheppard, Morgan & Schwaab, which would also reduce the ground water level in this district."

"In 1960," the letter continued, "Sheppard, Morgan & Schwaab made a survey of storm water in the Nameki sanitary sewer system. Measurements at the inlet manholes at the various lift stations indicated a serious overloading of the sanitary sewers due to the presence of storm water."

Normal dry-weather flow in the sewers varies from one-fifth to one-half of capacity, but the presence of storm water in the sewer system has increased the flow during the last heavy rains to three or four times the normal flow, Partney noted.

"As a result of storm water in the sanitary sewers, these measurements indicate a hazardous situation," he said.

Before the presentation to Mayor John E. Lee, there were brief addresses by Cong. Melvin Price and Illinois Secretary of State Paul Powell and Amvets

Sheriff Adds 10 Deputies to Staff

Ten new Madison county sheriff's deputies were sworn in Friday at Edwardsville to expand the county's staff of night riders.

They are Thomas Hammond of Madison, Richard McIntosh of Venice, Gilbert Trent of Cottage Hills, Robert Rothaus of Godfrey, Edward Finke, Tim Treat and William Stewart of Edwardsville, Marvin Henke of St. Jacob, John Weise of Highland and Randy Lamb of Hamel.

They were selected by the new county police commission on the basis of examinations. The night patrol will be increased from eight to 13 cars by the middle of the month. The new deputies will receive training at a special police school to be established with a \$500 federal grant.

Staffing the school will be judges, police experts and personnel from Southern Illinois University who will teach various phases of police work and community relations. It will be open to more than 100 policemen in the county.

Sheriff George Musso said that of the five new cars, one will be assigned to the Mitchell area, one to Livingston-Worden and three in the Alton area.

Sheriff George Musso said that issuance of traffic tickets by the deputies would be stepped up.

Judge Seeks Views on Crime Case Dismissals

Police departments, victims of crimes, witnesses and other interested persons were invited to participate in pre-trial dockets at the courthouse at Edwardsville.

The invitation, the first of its kind, was issued by Circuit Judge James O. Monroe who listed 14 criminal cases in which the state's attorney's office has moved for dismissal.

Interested persons were asked to express themselves at 9 a.m. tomorrow regarding any position they may have in the disposition of the cases up for dismissal before action is taken by the court.

Granite City police planned to be on hand to object to dismissal of several of the cases. Included were:

Burglary charges against Jimmy Poe, Richard Marion Barker and Earl Michael Jones of the Granite City area who were arrested more than a year ago in a break-in at the Woodmore auto agency on Feb. 21, 1968. Poe has since been arrested on other burglary charges.

The case of James Bernard Getz, 18, of Madison, who was arrested in November of 1968 on charges of arson and rape in the Nameki area.

John Steven Long, 19, and Michael Crockett, Eddie Woods and Larry Isaac of East St. Louis, who were charged with aggravated kidnapping and attempted murder of Harry Snell, 21, of Madison, at the Derby service station on Route 203 on March 27, 1969.

The decision to hold open pre-trial dockets calls was made following long-standing complaints by police departments that they were not informed as to the disposition of defendants.

Negotiate Pleas
The docket call today was to deal with cases in which the

Local Man Killed As Auto Strikes Pole, Building

James E. Harper, 21, of 3801 Lake drive, was killed about 12:45 a.m. Friday when his car, apparently traveling at a high rate of speed, went out of control in the 500 block of State street in Madison, careened along the side of a building and was crushed between the building and a utility pole.

Harper, who was removed from the wreckage by Madison firemen who worked for about 40 minutes to cut away the top of the car, obviously was dead when the rescue crew reached the scene only a few minutes after the crash, according to Fire Chief E. J. Miller.

Harper was pronounced dead upon arrival at St. Elizabeth hospital at 1:25 a.m.

Police said Harper's car was northbound on State street when the accident occurred.

Ran Along Building
Wheel marks indicated the car sped along the side of the building for almost 30 feet before it crashed into the utility pole and wedged between the pole and the front of the New York Cafe, operated at 510 State street by James Anastasia. The impact damaged the front of the building and splintered part of the utility pole.

The rear of the 1967 model sports car caught fire from sparks created by the saw firemen were using to cut away the car top and then use the winch of a tow truck to peel it back so they could get into the crushed car.

The father of a 16-month-old son, James Edward Jr., Mr. Harper had resided in Granite City for past ten years. He was born in St. Louis and previously had lived with his parents in Maryville, Ill. His father, Edward J. Harper, owns and operates the Kirby Sales and Service firm, 2822 Nameki road.

Attended Local Schools
Mr. Harper attended Wilson elementary and Coolidge Junior high schools and graduated in 1966 from Granite City high school. He had been employed at Granite City Steel Co., 321 E. Main, to a recent layoff had accepted temporary employment last week at American Steel Foundry.

Besides his infant son, Mr. Harper is survived by his wife, Mrs. Mary Harper, and his former Christina Jackovich; his parents, Mr. and Mrs. Ed Harper.

Fire Destroys Home of Family Of 7 in Venice
The seven members of the family of Earl Trebing were forced to flee their home at 124 Abbott street, Venice, about 7 p.m. Friday when fire broke out in an upstairs bedroom and caused extensive damage. No one was hurt.

Venice firemen, who were on scene 3½ hours, set the loss at \$5000 to \$6000 to the house and nearly \$1000 to contents. The family is hospitalized in an upstairs bedroom and caused extensive damage. No one was hurt.

Defective wiring was blamed for the blaze which burned through the roof of the six-room, two-story frame house. Mrs. Trebing said the family has \$8000 fire insurance. Her husband's employer at the Madison plant of Laclede Steel Co.

The Trebing's daughters are Earline, 17, Deborah, 16, Frieda, 12, Karla, 10, and Brenda, 7.

Precipitation in February Totals Mere Half-Inch
A mere half-inch of precipitation was measured for February and was recorded on 10 days, including seven on which snow or sleet flurries fell.

Already this month, rain has been recorded on both days and totals 36-inch, including 32-inch this morning. The rain gauge at the Chain of Rocks canal locks is read at 8 a.m. each day.

The February precipitation was far below the 2.04-inch normal amount. Traces were recorded on three days and other readings ranged from .02-inch to a top measurement of 15-inch (two inches of snow) on Feb. 14.

So far this year precipitation has totaled only .70-inch for two months, compared to the normal amount of 4.02 inches. In 1968, precipitation in the first two months totaled 5.97 inches.

Spelling Bee, Benefit Game Planned by K. C.

The annual spelling bee for parochial school children and a Newman benefit basketball game will highlight activities of Knights of Columbus Council 1088 during March, according to a schedule of events announced at a meeting Thursday night.

The spelling bee will be held at 2 p.m. March 15 for winners and runners-up at the six Quadrant area parochial schools, who, with alternates, are now being selected.

A traveling trophy, now being held by St. Joseph's school, will be awarded to the winning school for a period of a year, and other prizes will be awarded to the contestants.

The winner and runner-up will advance to the annual Madison county K. of C. spelling bee to be held later in the spring at Wood River.

In charge of the local bee is John Trittschuh, general program chairman, who announced that the fundraiser will be Miss Helen Kuentler, head of the English department at Granite City high school.

The second annual Saints vs. Sinners basketball game will be held at 7 p.m. March 20 at the Namekigi grade school gym. Competing will be area priests against officers of the K. of C. council.

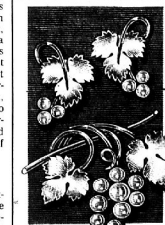

Donations to the game are \$1 for adults and 50 cents for children. Gross proceeds will be contributed to Newman foundations at state universities as part of a statewide K. of C. project. Last year's game produced \$250 for the benefit.

Following the game, a free orchestra dance will be held at the K. of C. club. The Bank band from Madison has been arranged. Paul Mosby is chairman in charge.

Plans also were announced to participate in the annual Madison county K. of C. bowling tournament March 22 at Wood River.

Future events announced by Trittschuh include a Mass-dinner dance April 3, with Rev. Thomas Trece, chaplain, to be the principal celebrant, a sports banquet on April 17, the national bowling tournament May 1-3 at Indianapolis and a school doubles bowling tournament for members and wives on May 17.

GC Steel Co. Tax Bill Tops \$4.3 Million

Granite City Steel's total tax bill for 1969 included \$4,354,000 in real and personal property taxes, it was announced in the annual report to stockholders.

Most of the money went to the public schools of Granite City and the city and county governments, according to the report. The company is the largest single taxpayer in Madison county.

The industry's 1969 payroll, including the cost of wages, salaries and employee benefits, also rose to a record high of \$58,337,000, compared with \$48,333,000 in 1968.

The report points out that "the size of the increase in 1969 reflects not only higher employment costs but also the fact that a part of the plant was shut down almost 3½ months in 1969."

The major economic impact of the company's payroll is felt in the city and county where about half of its 5000 employees live. Collinsville, Edwardsville and Madison account for about 18% of the remaining employees.

Granite City Steel is the largest steel company in the metropolitan area and the only producer of plate, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products.

Rev. Sullivan, Mosby Win at Table Tennis

Rev. Kevin Sullivan and Paul Mosby won the championship of the annual doubles table tennis tournament conducted by Knights of Columbus Council 1088 Sunday afternoon.

They defeated Stephen Saltich Jr. and Paul Schuler for the title. Trophies were presented to the first and second place teams. Fred Trittschuh was chairman of the event. Thirty persons participated. Food and refreshments were served.

Madison Politicos to Pick 'One Candidate'

The powerful Venice-Madison political organization whose leadership has been disrupted by the recent death of the late Mayor Stephen Maeras of Madison has agreed to support only one candidate in an election of the Venice-Madison organization.

Although rampant rumors in political circles have listed a growing number of potential mayoralty candidates in a bid for the office made vacant by Mayor Maeras' death, and the inherent political authority that goes with it, ranking leaders of the Venice-Madison organization are said to have agreed in a series of meetings and caucuses that more than one candidate from within the ranks of the organization could break the machine apart.

For that reason, Madison city officials, whose numbers include several known aspirants for the mayor's post, reportedly have agreed in principle to back a single candidate chosen from their midst with the unqualified support of the organization as a whole.

Candidate Not Named

Thus far that candidate has not been named, and an announcement is not likely to be made for several weeks, one source reported this morning.

An election to fill the mayoralty vacancy must be held within six months, but Madison officials have indicated they will await completion of this month's March 17 regular national, state and county primary election and the April school elections before setting a date for a special city election.

The late Mayor Maeras and Mayor John E. Lee of Venice were considered the top-ranking leaders of the Venice-Madison political organization whose influence extends county-wide.

Through city and county patronage, as well as influence on the Democratic party of the state payroll, the late Mayor Maeras and Mayor Lee controlled a great extent the entry of candidates into local elections and, through organized election activities, the outcome of those elections.

Consequently, the successful candidate for mayor will inherit political authority that includes, among other things, a strong voice in the Madison District 12 school board. Three members of the school board are to be elected April 13.

Two Seeks Re-Election

Two incumbent board members whose terms expire this month, the late Mayor Maeras and Mayor Lee, have filed petitions as candidates for re-election.

The third, John Bellicoff, who also is city clerk, has not become a candidate.

Bellicoff has been mentioned frequently by political observers as a potential candidate for the mayor's post. Others believe the priority for organization backing is held by Ray Kozielek, who was elected by the Madison city council as mayor-pro-tem for a period of up to six months immediately following Mayor Maeras' death.

Even if the organization adheres to its plan of backing only a single candidate, other entries into a special city election are viewed as virtually certain.

Several minority factions opposed to the incumbent organization in both city and school politics have developed in recent years and even the late Mayor Maeras, along with most of the contending aldermen, had opposition in the 1969 city election. Three years of the mayor's term of office still remain to be served.

Referring to one news report that such a merger "is quietly under way," Mayor Lee said: "There's nothing quiet about it. The possibility of merging Madison and Venice has been talked about for a long time. I discussed it frequently with Mayor Maeras."

"Ideally, such a merger would include Granite City, Madison and Venice. There are countless advantages to be gained from such a merger. "A single area would enjoy the revenue of a number of projects such as the McKinley Bridge, the Maeras Industrial Park and a large, overall tax base. It could result in elimination of a multiplicity of tax agencies."

He denied, however, that any target date for merger action has ever been considered.

"In the first place," Dr. Lee said, "such a program would not have my support unless the initiative came from the people and not from politicians or officeholders."

Mayor Lee said that any thought of his becoming mayor if such a merger were accomplished is erroneous.

"I would not want to be the mayor of so large a city," he said.

Karandjeff Class Of Eagle Scouts Will Be Honored

The 1970 class of Eagle Scouts of the Cahokia Mound Boy Scout Council has been designated the Henry D. Karandjeff class in honor of the local banker, who has been active in the council for many years. It was announced at a monthly executive board meeting Thursday night at the Round Table.

Eagle ward recipients will be honored at a dinner April 13.

Nicholas P. Veeder, board chairman of Granite City Steel Co., has agreed to head the Special Guests Committee of the council's 50th anniversary scouting fair May 16 at the Wilson Park Ice rink, Council Vice-President Howard Kaseberg announced. John Pekarik is chairman of the fair.

President G. Rollin Henn appointed as 1970 committee chairman Dr. Stanley Maer organization-extension, Melvin O. May, finance, Leo Schermer advancement, David Fox training, Robert Franzen camping, H. D. Karandjeff long-range planning, Dr. Carl Rogers health and safety and David Wilson, exploration.

Henn, Commissioner William Shindell and Council Executive William Monical were named to represent the council at the national meeting May 20-22 in Denver.

Karandjeff discussed summer camp property meetings, Kaseberg and G. H. Sternberg spoke on the Sunken Range organization and reports were given by Franzen, Fox, Shindell and Treasurer Barry Loman.

Cub Scout Leaders Training Class Tonight

A training course for Cub Scout leaders will be conducted by Wesley Stille at 7:30 p.m. today at the First Methodist Church, Fifth and Ewing streets, Madison. It will continue until about 9 p.m.

The course is open to den mothers, assistant den mothers, and all other Quad-City area adults interested in Cub Scouting.

Four Stop Sign Tickets

Stop sign violation tickets were issued Friday morning at Johnson road and Edgewood drive to John H. Klee, 21 Nassau drive, Edward M. Fitter, 4055 Pontoon road; Mickey Mick, 2348 Waterman avenue, and Elia Lanowsky, 3000 Circle drive, also violation of a license restriction (no corrective lenses).

"These conditions, in time, would create a void under the streets and easements. It is also possible that contributory waters of infiltration from upstream sewers, occurring during a rainfall or periods of fluctuating ground water, would surcharge or pressurize the downstream sewers studied, thereby creating a pumping action within the gravity lines."

"This repeated process could also permit the entry of fine soil into the sewers. The report from American Pipe Services indicates these sewers could be sealed."

"This is the third report the council has received from this office without any response. I am waiting for a decision that should be made by the entire council as to what steps to take."

McClintock-Rupp Nuptials At Peace Lutheran Church

The wedding of Mrs. Judith Smith Rupp and James Harry McClintock, took place Friday evening at Peace Lutheran Church.

The bride is a daughter of Mr. and Mrs. George J. Smith, 2214 Edwards street. Mr. McClintock's parents are Mr. and Mrs. Harry E. McClintock, 2032a Cleveland blvd.

The ceremony was performed at 7 o'clock by the Rev. Franklin Orton and a reception was held directly afterward at the church.

A light blue linen dress with a double-breasted jacket trimmed with brass buttons was worn by the bride. Her flowers were white carnations tinted blue on a white ribbon.

The only attendants were Mr. and Mrs. Ralph Baker, cousins of the bride. Mrs. Baker was in a simple blue sleeveless dress trimmed with white

bride. She too carried a white Bible topped with carnations. Two little flower girls, Leanne Ann and Rhonda Baker, dressed in yellow lace frocks with organza sleeves, carried nosegays of yellow carnations. Steven Frederick Rupp, the bride's son, served as ring bearer.

Walter Berghoff and Danny Cole were ushers.

The former Mrs. Rupp graduated from Granite City high school and attended SIU-SW and the Alton Center of SIU. She is presently employed as control clerk and a receptionist in the data processing department of a St. Louis advertising firm.

Mr. McClintock is employed by Granite City Steel Co. He attended the Granite City schools, SIU at Carbondale and Illinois State University in Normal.

The couple will live at 3117 Maryville road.

Miss Kaiser Is Engaged

Announcement is made of the engagement of Miss Kathleen Kaiser, a daughter of Mrs. Mary Hediger, 2932 Wayne avenue, and John Hatfield of St. Louis.

Miss Kaiser was graduated from the Granite City high school and is presently employed by the Laclede Steel Co. Her fiancé attended McKinley high school in St. Louis and is employed by a distributing company.

District Garden Clubs Install

A number of local women, members of garden clubs, were in Collinsville Thursday to attend the 18th annual meeting of District V, Garden Clubs of Illinois Inc., at the First United Presbyterian Church.

They were Mrs. Eugene Short, Mrs. August Thies, Mrs. Clifford Mang, Mrs. Delbert McKissick and Mrs. W. G. Cooley, Garden Study; Mrs. Earl Glenn, Mrs. C. E. Eads, Mrs. Charles Kohl and Mrs. Cecil Williams, Gardenaires; and Mrs. John Jenkins, Mrs. B. C. O'Neill, Mrs. Leo Roman and Mrs. Harold Rineberg, a guest, Cloverview Club.

Fourteen clubs were represented and the following officers were installed by Mrs. Harold Wolfe of Belleville for two-year terms:

Mrs. H. C. Heberer, Mascoutah, district director; Mrs. Earl Glenn, Granite City, vice-chairman; and Mrs. Charles Updike, Collinsville, corresponding secretary.

Retaining offices for another year are Mrs. Arnold Brechtweiser, Belleville, recording secretary; Mrs. Lynn Royal, Cahokia, treasurer; and Mrs. Arvid Nelson, Lebanon, historian.

The meeting opened at 10 a.m. and Mrs. J. N. Fitzsimmons, retiring director, and Mrs. W. C. Deckert gave the welcome address.

Announcement was made of the history and yearbook contest and Granite City clubs receiving ribbons were Cloverview, blue ribbon for history book; Garden Study and Gardenaires, red ribbons. For the year books, Garden Study received a blue ribbon and red ribbons went to Cloverview and Gardenaires. In the flower arranging exhibits, Gardenaires won a yellow ribbon for their entry in the class "February Drifts Towards Spring."

Wayne B. Siefert, area adviser on ornamental horticulture, University of Illinois, was guest speaker at the afternoon session. His subject was "The role of the garden clubs in the 70's."

Jr. Service Club Style Show And Tea Set for March 15th

The Granite City Junior Service Club will present its annual Fashion Show and tea Sunday, March 15, from 2-4 p.m. in Meridian Hall at the Christiana Hotel.

Junior Service contributions include furnishing needy children with eye care and glasses; issuing nursing scholarships; furnishing a little league baseball team with uniforms; and donating to the Easter Seal Society Day Camp, the Salvation Army Tree of Lights, the YMCA and the Tuberculosis Association.

Contributions have also been made to the Granite City and Alton Mental Health Clinics and Christmas stockings were made and presented to St. Elizabeth Hospital for all babies born during Christmas week.

The club has rented musical instruments for children whose parents were unable to do so, and elderly citizens were furnished with baskets of food at Christmas. In addition, the club sponsors a handicapped girl in Alton.

The most current projects are working in an eye and ear clinic, and shipping boxes of food to servicemen fighting in Vietnam. This year, a television set was donated to Scott Air Force Base Hospital for use by injured men returning from overseas.

Chairman for the show, "Fashions On Parade," include Mrs. Phyllis Steib and Mrs. Jean Ann Vrenick, general chairman; Mrs. Dorothy Melkamp, ad book; Mrs. Marion Wright, posters; Mrs. Frances Rowden, scripts; Mrs. Margie Pennell, advertising; Mrs. Carol Tritschfuss, models; Mrs. Rena James, stage, and Mrs. Linda Saitch, tickets.

Tickets may be purchased from any club member or at the door. A number of prizes will be given away during intermission.

Miss Sandra Lee Ramsey, James R. Kielty are Wed

Arrangements of white carnations tipped with pink on the altar, and white bows on the pews along the aisle provided the setting Saturday evening for the wedding at Hope Lutheran Church of Miss Sandra Lee Ramsey and James Robert Kielty.

The bride is a granddaughter of Mrs. Ruby Barker, Highway 111, Mr. Kielty is a son of Mr. Rose Kielty, 3278 Franklin avenue.

The Rev. Louis Oetting officiated at the 6:30 ceremony, and a reception was held afterward in the church social rooms. A cascade gown of sheer white embroidered organza designed with a scoop neckline and long sleeves trimmed with lace was worn by the bride. The hem of the skirt, encircled

with matching lace and small flowers, terminated in a court train and she held a bouquet of pink-tipped carnations centered with an orchid.

Miss Patricia Pinegar, maid of honor, chose a yellow dotted dress with ruffles and small flowers, and the bridesmaids, Miss Donna Ramsey and Miss Jackie Gancheff, were similarly attired in blue and green dotted swiss. All three carried bouquets of multi-colored carnations.

Two little flower girls, Cathi and Dorothy Gancheff, wore ruffled orchid frocks and carried multi-colored pom poms in small baskets. Steve Gancheff served as ring bearer.

Best man was best man, and Kenny Kent, Daniel Sparks, George Ramsey and Kevin Kielty made up the corps of groomsmen and ushers.

After a honeymoon at Tan-Tan-A the newlyweds will make their home in Granite City. Both are graduates of the Granite City high school.

Bay View Club Plans Election

The Bay View Reading Club met Thursday afternoon with Mrs. Emil Mueller, 2405 Lynch avenue.

After a dessert course, the president, Mrs. Lloyd Davidson, was in charge and 15 members responded to roll call with current events. Guests were Mrs. Roy Huff, Mrs. Sadie Schroeder and Mrs. William Olsen.

A report of the nominating committee was given and the new officers are to be elected at the March 12 meeting. Also planned was the annual guest day party May 14.

The program for the day was given by Mrs. Russell Johnson. It was on Russia, "Britain's Ally," and "Cartoons on the U.S."

The next meeting will be with Mrs. Dale Rea, 3215 Killarney drive.

Guests at Buente Home

Mr. and Mrs. A. F. Buente, 2626 State street, have as their guests their son-in-law and daughter, Mr. and Mrs. William Olsen and their daughters, Amy and Anne. Mr. Olsen is in the employ of the U. S. government and the family returned recently from a stay of two years in England. They will spend about six weeks here and with Mr. Olsen's parents in Newark, Ill., before leaving for another assignment in Thailand. Mrs. Olsen is the former Barbara Buente.

The ceremony took place in a church of the Nazarene in Alton.

A dinner and small reception followed the service. It was held in the home of Mr. Dunlap's uncle and aunt, Mr. and Mrs. John Reynolds in Alton. The newlyweds will live in Alton.

Metochai Group Elects Officers

Metochai, an organization of Southern Baptist ministers wives, met Thursday in the home of Mrs. W. J. Richardson, Mitchell, and elected the following officers for the coming year:

Mrs. W. J. Richardson, president; Mrs. Bill Lemonds, vice-president; Mrs. John Lamb, secretary; Mrs. Eugene Dutton, treasurer; Mrs. Ralph Dollar, game chairman, and Mrs. Wendell Garrison, Mrs. Vernon Covington, Mrs. Elvis Lewis and Mrs. Carl Watkins, group captains.

Mrs. Clifford Moeller, the retiring president, called the meeting to order and led the business session which was opened with prayer by Mrs. Lemonds.

Luncheon was served by the hostess and the co-hostess, Mrs. Lemonds, and a social time with games followed.

The next meeting will be May 21 for a shopping trip and luncheon. Ten were present at Thursday's meeting.

Lodge 477 Plans Rummage Sale

Jaunita Rebekah Lodge 477 met Thursday evening at the American Legion hall.

Mrs. Edith Carpenter, district deputy president, conducted a school of instruction for the officers, and those celebrating birthdays in January and February were honored. They were presented with gifts and a cake baked by Mrs. Esther Langolf.

An inventory of the property of the lodge will be taken, according to an announcement at the meeting, and the members were asked to contribute articles for a rummage sale to be held in the near future.

Refreshments were served to 27, including a guest.

Wedding Date Is March 10th

Announcement is made of the coming wedding of Miss Cathy Jo Fowler, a daughter of Mr. and Mrs. Edgar Fowler, 2308 Terminal avenue, and Danny Lee Hornberger, whose parents are Mr. and Mrs. Harry L. Hornberger, 2144 Delmar avenue.

The ceremony will take place March 10 at First Assembly of God church with the Rev. M. A. Groff officiating.

FHA PAPER DRIVE
The Future Homemakers of America of the Granite City high school, are sponsoring a paper drive Saturday, March 14. People who wish to donate may take tied bundles to the new parking lot of the high school. A truck will be there to receive the bundles after 5 p.m. All items cannot deliver may contact 931-2677 and the members will provide pickup services.

Judge Seeks

state's attorney's office and defense counsel desire to negotiate pleas, and police officials concerned with investigation of crimes, victims and prosecuting witnesses were asked to present their views.

In a statement, Judge Monroe said, "I certainly do not mean to inconvenience any police officer or interested person. And I fully realize that law enforcement agencies are often under-staffed and over-worked."

"But I know you are interested and I desire to work more closely with you. A number of things have happened which has made it seem that law enforcement agencies or institutions have not fully or properly communicated with one another or have been made to appear to be almost at cross purposes."

"I, for one, certainly want to know the views of those concerned in the field with law enforcement. These views of course can be utilized effectively and wholesomely only if they are known to the court before action."

Jury Trials March 9
The pre-trial docket calls will be followed by a jury trial beginning at 9 a.m. next Monday. The docket lists 64 felony cases involving 75 individuals.

Many involve crimes in the Quad-City area, including a murder charge against Mrs. Geraldine Curtis, 39, of St. Louis, in connection with the shooting of her husband, Silas Jr., 33, last Oct. 27 at the Robins Nest tavern in Venice, and Len Eugene Dees, 27, of Granite City, charged with aggravated battery and attempt in the shooting of Shelby Wallace last July 4.

Madison Trojans Share Runner-Up Honor In Midwestern Conference

Trojans were runner-up honorees of the Midwestern conference as they enter the Granite City regional basketball tournament at 8:30 facing Alton Marquette.

Madison took a hard fought, 71-64, victory at Highland Friday to finish in a tie for second in the league with Bethalto.

Final league standings: Triad 91, Madison and Bethalto 73, Highland 44, Roxana 37 and Dupu 810.

MHS Coach Larry Graham rates Highland's Bulldogs as having good chances of advancing in their regional venture at Vandalia.

The Bulldogs kept pace Friday, trailing 16-14 after one period and deadlocking the score 27-27 at the half. MHS led 49-45 at the third quarter horn.

Rebounding, Oscar Hagler gathering in 18, the Bulldogs and Tom Noel 13 led the Trojans, but the Bulldogs grabbed

their share, not like the earlier match between the two teams, when Noel set an unofficial school record of 27 rebouts.

With less than two minutes remaining, Noel sunk both ends of a one-and-one situation giving MHS the lead. Madison's hard press forced several turnovers to widen the margin of victory.

Scoring were: Noel 22, Dargier 21, Hagler and John Ervin each time, Chuck Dandridge eight, and Charles Pogorelec two.

Coach Graham in tonight's match with Marquette believes, "We'll have to attack the boards to beat them." He adds, "They may hold the ball or may try to slow down the game all the way."

If MHS gets past tonight's game, Graham speculates on a Wednesday encounter, with Collinsville as the likely foe.

The Trojans' main concern will not be the height disadvantage, but the Kahoks' press.

Venice Devil

Venice earned its sixth consecutive district championship defeating O'Fallon, 86-63, Friday, in what VHS Coach Bill Ohlendorf named as, "the hardest ball game we've had in six years of district play."

The lead changed four times during the last two minutes. Panther Marv Reno and Devil Fessor Gray, traded baskets.

Doug Johnson sank his only field goal of the evening, a 20-footer, with 56 seconds remaining to give Venice a 64-63 edge.

The Panthers called timeout with 36 seconds showing on the clock. O'Fallon Coach Don Holmes explained, "We had the play set up to move the ball around for 15 seconds and then get it to Reno."

Reno had tallied 28 points, hitting 12 of 19 from the field. He missed a short jumper with 10 seconds left. Venice's Andre Johnson grabbed the ball and was fouled to freeze the clock at 0. He dropped in two one pointers, then O'Fallon got out two frantic free shots.

Tonight, Venice meets East St. Louis at 8:30 p.m. in the opening round of the Belleville East regional. In the earlier game, at 7 p.m., No. 1 seeded Venice-East Side victor will play the Assumption-Cahokia victor Wednesday.

Ohlendorf is counting on his Devil's speed and quickness to foil the Flyers.

Venice carries a 21-7 record after breaking O'Fallon's ten-game winning string.

Against O'Fallon, Venice garnered a 24-28 rebounding edge, and meshed 16 of 19 free throws. The Panthers managed only nine of 20 from the charity stripe.

Lending points to the win—Gray 20, Cedric Gardner 16, Andre Johnson 13, Jim Ohlendorf 11, Doug Johnson four and Harold Gormertman two.

O'Fallon was ahead 20-19 after the first period. Venice led at other quarters with 41-34 and 54-31.

Thursday at the district, Venice nipped Columbia 64-60. A steal by Jim Ohlendorf in the final moments and his two free throws, with one second left, iced the game.

Venice led at quarters with 19-13, 40-38 and 53-42.

Talking against Columbia were: Gardner 20, Jim Ohlendorf 15, Gray 14, Andre Johnson eight and Doug Johnson seven.

'Y' Swimmers Drop Final Dual Meet

Local YMCA swimmers, competing against a strong East St. Louis "Y" squad here Saturday, lost their final dual meet of the season 305-181.

Despite the loss, 19 local competitors earned 34 first-place ribbons, 11 captured second place and 12 gained third-place awards.

Youngsters winning three events each were Terri Voss, 9-10 years, 40-yard backstroke, medley and free style relays; Erin Stocker, 9-10, 40 and 100-yard free-style and medley relay; Amy Werner, 8 and under, 20-yard butterfly, 20-yard backstroke and free-style relay; and Mark Buenger, 11-12 years, 80-yard individual medley, 100-yard free style and 40-yard backstroke.

Earning two first place awards were Rosie Baggot, 8 and under, 20 and 40-yard free style; Mary Betty, 11-12, 40-yard free style and backstroke; Debbie Griffin, 9-10, 40-yard backstroke and medley relay; Paddy Jim Baggot, 13-14, and Mark James, 15-17, 100-yard free-style and 40-yard free-style; and Dawn Lamb, 9-10, free style and medley relays.

Other first place winners were Scott Buenger, 8 and under, 20-yard free-style; Michael Baggot, 11-12, 40-yard free-style; David Jolly, 8 and under, 20-yard backstroke; Mike Adams, 15-17, 100-yard backstroke; Lisa Ybarra, Jan Tadlock and Shelly Pohman, all 8 and under, free-style relay; and Sharon Stocker and Lori Malottki, 9-10, both free style relay.

Nine representatives of the local YMCA competed yesterday in the 35th annual invitational meet at the Jewish Community Center, St. Louis. A total of 28 teams was entered

Final Seconds Frustrate GC In 73-72 Tilt

Granite City meshed 24 of 30 free throws in the first three periods Friday but could hit only two of 11 in the last quarter and lost 73-72 at Cahokia.

Tom Howard hit a game-winning field goal with two seconds left on the clock.

When 27 seconds remained, GCHS led by three points but missed a one-and-one free throw opportunity. Cahokia scored with 11 seconds left and then the Warriors were fouled and failed to connect on another one-and-one. Howard scored for the win.

Cahokia has won six of its past seven outings.

GCHS trailed 16-15 after the first quarter, but led at the other periods 41-31 and 60-55.

Scorers were Dave Meizer 26, Steve Harris 17, Jeff Boyles 12, Mike DeRuntz 12, Tim Schwenman three and Terry Ripka, two.

Coach Don Detering was pleased with the Warriors' offensive effort and praised Meizer and Harris for moving the ball and driving.

in the Ozark AAU-sanctioned contest.

Only local first-place winner was Mark Buenger, 11-12 age division 50-yard backstroke, 34 seconds.

Debbie Griffin, 10 and under, captured second place in the 50-yard backstroke in 40.9 seconds.

Other competitors Sunday were Mike Adams, Lois Gauen, Mark James, Kathy Lancaster, Lori Malottki, Teri Voss and Paula Worthen.

Miller, James Advance But Lose Second Bouts

Granite City won at both ends of the lineup during the first round of the state mat tournament at Normal Friday, 89-pound Bruce Miller and heavyweight Dan James advancing, but both lost second-round bouts.

Other Warrior state entries, Lenny Fuchs, Al Bridgeman and Fay Burcham, lost their first matches.

North of Chicago took its first state team championship with 40 points, becoming the 13th team to wear the crown. Maine East was second with 30, Tiney Park and Waukegan tied for third with 38 and Bloom was fifth with 30.

Roxana was the only local area team to place high. It tied Jolly West, East Moline and Evansville for eighth place with 16 points.

Roxana's Mike Spiroff, whose father once wrestled for GCHS, took the 155-pound title, giving his school its first state championship ever.

124, Pin Victories
Miller won his first bout from Washington's Don Cook 12-6, gaining reversals, a takedown and a predicament for the winning points.

Ron Narducci of Downers Grove South then beat Miller 6-3. Narducci led 6-0 after the second period.

Miller took an early reversal in the third period and attempted a pin with a cradle, but could not bring down his opponent during the final minute was

James lost a takedown but then reversed and pinned Scott Byram of Niles North with a body block after 1:08 in the first round.

James next lost 9-1 to a tourney favorite, Todd Nicholson of Riverdale. Nicholson carried a 27-0 record but ended in fourth place due to an injury.

First Pin Loss of Career
Fuchs, 107 pounds, trailed Evansville's Fred Wideman 7-0 when Fuchs was pinned for the first time in his career, in five minutes and 43 seconds.

Bridgeman, 125, lost in the first round to the ultimate state champ, Jim Adams of Waukegan 8-0.

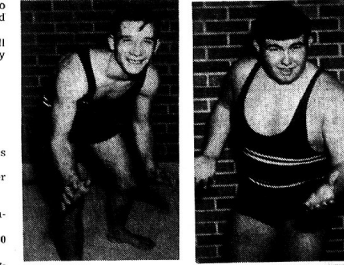

In wrestleback competition, Bridgeman met Wayne Caulkins of East Moline, who had bowed to Adams 7-6. Bridgeman fought into overtime to a 6-6 tie, but Caulkins won on a referee's decision.

Burcham, 130, lost 6-2 to John Bollaert of East Moline. Bollaert placed fifth.

Coach William Schmitt reported, "The competition was rather awed by the circumstances."

"This might have had a bearing on some of the results; certainly Bridgeman got no breaks. He proved he was the equal to the third-place boy and at the very least, was the fourth best there. But he came out with nothing."

A record attendance of 30,500 viewed the four sessions of wrestling, including a record crowd of 8500 at the finals.

EXTEND GCHS STATE RECORD. Warriors Bruce Miller (above left) and Dan James (above right) advanced to the second round of the state mat tourney, scoring three points under the tutelage of Coach Bill Schmitt (right). GCHS leads all but one of the 35 tournaments in history.

Leaves for Army Camp
James D. Rozell, 18, a son of Mr. and Mrs. Virgil M. Rozell, 2721 Nameoki drive, left Friday for eight weeks basic training with the Army at Fort Leonard Wood, then on the advanced infantry training.

THREE-WAY TIE. The YMCA spring soccer season opened this weekend. Here, three First-Year Bantam Division players all take a boot at the ball. Left to right: David Hartwick of the Mitchell Athletic club Cubs and Gary Phelps and Bobby Moulden of Northtown Rentals. Northtown won the Sunday encounter, 1-0.

Strong Cage Regional Opens Tonight at GCHS

The "sudden death" phase of 1969-70 basketball competition opens tonight for regional-level teams, each of which will clash at GCHS this week to determine one of the 64 quintets advancing to Illinois High School Association sectional play.

First-round games tonight pair first-seeded Collinsville and first-rated Wood River at 7 o'clock and fourth-seeded Madison and eighth-ranked Alton Marquette at 8:30.

Quarterfinals will continue Tuesday. Second-rated Alton is to meet No. 6 Roxana at 7 p.m., followed by the host Warriors, third seeded, and No. 7 Edwardsville at 8:30 p.m.

If form prevails—and it often does not—it will be Collinsville vs. Madison at 7:30 p.m. Wednesday and Alton vs. GCHS at 7:30 p.m. Thursday. The two lone surviving teams will collide for the regional crown here at 7:30 p.m. Friday.

The 22-2 Kankakee, Southwestern Conference champions, who

hope to earn another state championship this year, are led by 64 Jerry Ahart, 6-8; Bob Shapiro and 64 Jerry Ahart.

Other teams, with winning records are Alton, 14-9 and second in the Southwestern; GCHS 14-14 and third in the same league; and Madison, 15-10 and tied for second in the Midwestern Conference.

The Trojans' most dependable assets have been rebounding ability and power under the boards by such players as Tom Noel, Joe Dozier, Oscar Hagler and Chuck Danziger.

Dave Melzer and Steve Harris pace the Warriors, who seem to play their best against strong teams. But GCHS has been shooting on field goals. It owns two wins this season over the Edwardsville Tigers, defending regional champions.

Last year, Alton defeated GCHS in the regional semifinals, but the Warriors have gained two close wins over the current Redbirds.

Aquarium, Fish Are Stolen at Mitchell School

Thieves entered Mitchell and Webster grade schools this week, taking several items from the Mitchell building, but creating little damage at either school. A complete list of damages and possible looting has not yet been compiled.

Burglars entered Mitchell school after 12:30 p.m. Saturday by breaking a window on the south side of the building. It was reported to the Madison county sheriff's office at 2:45 p.m. Sunday.

Principal Arthur Menendez said today among the items missing are a ten-gallon aquarium, complete with heater, oxygen equipment and tropical fish; the fish from a 20-gallon aquarium, kept in another classroom, which may have been too difficult for the thieves to carry; a stapler, fever thermometer, three rubber name stamps and marking pens.

Desks and drawers were left open, but no acts of vandalism occurred at Mitchell school. Menendez said the break-in was the first in about 18 months. Previously, the school was entered on a regular basis, "almost every weekend," he added.

No damage was reported at Webster school, where entry was gained by breaking a window on the west side of the building. The vandals exited through a rear door, after searching the rooms systematically in an apparent search for money.

Two empty milk cans were found discarded, but nothing appeared to be missing, according to an initial inventory this morning. The break-in occurred at 5:10 a.m. yesterday when a custodian checked the school. Principal Clyde Lee reported.

MORE ABOUT \$1300 in Coins

Robert Smith, 2510 West 20th street, reported at 10:55 p.m. Sunday that an assortment of coins valued at \$1300 were stolen from his garage after 6 p.m. The door was forced open.

Lumber Firm Burglary

Burglars broke into the B&E Lumber, 603 and S. 1st street, Thursday night or early Friday morning, ransacked the office area and stole a total of \$1500 worth of lumber. The break-in was discovered by police at 4:40 a.m. Friday. The break-in was discovered by police who found a window broken at the second-floor level.

The intruders entered through the window and then climbed down to the main floor, police said. Footprints believed to have been made by boots were found. The thieves were thrown out of a safe and contents of a fire extinguisher had been sprayed over the floor.

The machine was broken, but no effort was made to loot the coin box, police reported. Two pry bars were found by the front door.

Boys, 16, Caught

Two 16-year-old boys who had entered the home of Judy Fernstrom, 824 Alton avenue, and had removed a child's tape recorder and stereo set, were taken into custody about 1:25 a.m. Sunday—after he fled from upstairs apartment and the other in a nearby garage. They were turned over to juvenile authorities after police notified their parents.

The recorder and stereo set were found outside the apartment. Police believe the youths climbed an aerial to get into the apartment.

A 16-foot motor with a 50-horsepower motor, mounted on a trailer, was stolen from the yard of the home. Mrs. Helen Beck, 430 Lincoln street, Venice, reported to police at 4 p.m. Thursday. Value of the boat and equipment was not listed.

Boy Burglars Chased

Maurice McNeill saw two boys run from the rear of his home when they drove into the driveway at 119 Wilson Park lane about 5 p.m. Saturday. He chased them across the tracks but lost them when they ran between houses in North Grand.

At his home, McNeill discovered a basement window had been kicked out to gain entrance. The house was ransacked and taken were \$20 in coins and three filled trading stamp books. McNeill gave police descriptions of the boys. He said they were about 14.

Stolen Car Stripped

A 1969 auto stolen from Jim Spark, 4206 Lake drive, was found partially stripped in an old barn on Cemetery road along the Big Four Railroad tracks by Madison county sheriff's deputies at 4:35 a.m. Saturday. Five wheels, the battery, parts of the motor and a stereo tape player were missing.

James Longos, 1527 Cottage avenue, reported at 11:35 p.m. Friday that his white 1964 two-door auto was stolen from the lot at 18th street and Madison avenue after 4 p.m.

Otto T. Karrer, 64, Dies; Former Resident

Otto T. Karrer, 64, of 816 Vivian street, Collinsville, a former 35-year resident of Granite City, was found dead in bed early today at home. He had been in ill health for several years and under the care of a physician.

Born in Granite City, Mr. Karrer resided here until 1942 when the family moved to Collinsville. For the past 12 years, he was employed as a wool pattern-maker at General Motors Corp.'s Chevrolet Division plant in Detroit, Mich. He returned to this area upon retiring last June 30. He was formerly employed by the General Steel and American Steel firms here.

Mr. Karrer was a member of St. John Evangelical United Church of Christ, Collinsville, and the Collinsville Masonic Lodge 712 of Collinsville, and the Modern Shrine and Consistory of Detroit.

Surviving are his wife, Mrs. Ethel Karrer; one son, Robert Karrer of Collinsville; two daughters, Mrs. Gerald (Betty) Evers of Collinsville and Mrs. Louis (Marjorie) Meier of Marville; a brother, Arthur Karrer of Louisville, Ky.; a sister, Mrs. Victor H. (Olga) Koenig of Granite City; and eight grandchildren.

Funeral arrangements are pending at Herr Funeral Home, 60 West Main street, Collinsville.

Auto Hits Tree

Mrs. O'ma Turnbull, 54, of 4248 Lake drive, suffered a severe facial cut and other injuries about 3:30 a.m. Friday when her auto crashed into a tree on a curve at Lake drive and Central avenue, Pontoon Beach. She was taken to St. Elizabeth Hospital for treatment in the intensive care unit.

Mrs. Turnbull, who was alone in the car, was pulled from the wrecked vehicle by the Long Lake fire department. Power tools were used to free the injured woman from the wreckage, leg and knee.

She sustained a deep cut on the hairline to her mouth and abrasion to her right shoulder, right leg and knee.

Hurt in Madison

Three persons, two of them small children, were injured about 8:30 a.m. Thursday when their auto collided with a train at 14th and State streets in Madison, police reported.

Gary V. Freeze, 30, of 2113 Troy street, Madison, driver of the car, was admitted to St. Elizabeth Hospital after treatment of contusions and pains to the back. He was given x-rays.

His two sons, James Freeze, 7, and John, 3, also were treated for abrasions to the forehead and underwears x-rays. John was treated for abrasions and contusions to the nose and lips. Both boys were released.

Madison police said Freeze was northbound on State street when his car collided with a train that was backing across State street.

Boy, 9, Hit by Car

Charles Maxwell Jr., 9, of 1017 Reynolds street, suffered a slight concussion and abrasions to his head about 5 p.m. Friday when he was struck by a car at the alley on 12th street between Greenwood and Reynolds streets. The boy was given emergency treatment at St. Elizabeth Hospital where he was taken by his mother.

Madison police said the auto was being driven west on 12th street by Evelyn Dawson, 1228

Meridian street, and the boy walked in front of the car.

A St. Louis motorist, William O'Sullivan, 45, suffered head and chest injuries about 11:40 p.m. Friday when his westbound auto crashed head-on into the superstructure at the east end of McKinley Bridge.

Venice police said there was considerable damage to the front of the auto. O'Sullivan was given treatment at St. Elizabeth Hospital.

Auto Hits Fence

Leroy Tidwell, 23, of 2715 East 24th street, was injured about 11:30 p.m. Saturday when his auto, forced over by another car, crashed into the Granite City Steel Co. fence in the 1600 block of Madison avenue. Tidwell was going south, but lost control on the wet pavement when he applied his brakes to avoid a collision with the other car. His auto crossed the northbound lanes and jumped the curb to strike the fence.

Two persons were hurt about 6:20 p.m. Saturday in a two-car collision at 26th street and Madison avenue. Winston Mayes, 26, of 1721 Third street, Madison, suffered an injury to his left shoulder and chest, and a passenger in his car, Sylvia LeVaut, of 2629 Iowa street, suffered leg and head injuries.

Police said Mayes was driving north, and the other driver, Carlos LeVaut, 42, of 2344 Oxford avenue, was charged with failure to yield upon making a left turn. He was traveling north.

Crash Injures Two

A collision of two cars about 2 p.m. Saturday at 23rd street and Madison avenue resulted in injury to two persons—Leonard King, 19, of 2201 Lee street, an injury to his left shoulder, and a passenger, Maria Robinson, 28, East St. Louis. Police said King was in a funeral procession traveling east on 23rd street when he was involved in a collision with a northbound auto driven by James Beckett Jr., 25, of 3223 Maryville road, Delta avenue, who told police the traffic light was in his favor.

Patricia McCrea, 19, of 2214 Delta avenue, was injured when her car collided with a car driven by Edward A. Eversen, Bethalto, at 12:45 a.m. today on Route 3 near the Granite City animal shelter.

She was taken by ambulance to St. Elizabeth Hospital where she was admitted for observation. She suffered pains to her legs and legs and received x-rays.

Man, Child Hurt

Logan Donaldson, 34, of 1536 Fifth street, and a passenger in his car, Tammy Donaldson, 8, were injured about 3 p.m. Saturday in an accident at Fifth and McCambridge. The other driver, Willy Nelson, East St.

Granite City PRESS-RECORD Mon., Mar. 2, 1970 Page 7

Louis, was unhurt but was charged with driving while his license was under suspension. Donaldson was examined at the hospital, and the girl was treated for a nose injury. A delivery truck operated by Richard Daly of Ferguson, Mo., also was damaged in the crash. He was stopped on Fifth street.

Jacob J. Gaudreault, 60, of 441 Division street, Pontoon Beach, complained of pains following a three-auto accident involving other cars driven by Harold L. Rogers, Litchfield, and John E. Sweeney, 2309 Woodlawn avenue, at 1:20 a.m. Saturday at Johnson and Narmooki roads. The fire department was called to a fire gasoline from the street. Gaudreault was charged with a right-of-way violation.

William A. Damouth, 42, of 2475 Center street, was injured about 11:45 p.m. Friday when his northbound auto crashed into the rear of an auto driven by Orville Avooske, 47, of Caseyville, who had stopped on McCambridge avenue to make a left turn into Third street.

Clyde Hughes, 3309 Johnson road, was treated at St. Elizabeth Hospital about 8:30 a.m. today for a left shoulder injury suffered in a two-car accident in the 2200 block of Madison by venue, police reported. The mishap occurred, officers said, when Hughes' car and one driven by Bruce Smith, 2549 Pine street, collided.

Carol Burk, 26, of St. Ann, Mo., complained of pains after the right rear of her auto was struck by a car driven by Cindy M. Lathrop, 2500 Pine street, at 8:10 p.m. Thursday at 25th and Delmar avenue. Miss Burk was charged with a right-of-way violation.

Sleeps, Collides

Edward L. Massey, 19, of Anderson, Ind., was injured when he fell asleep at the wheel of his auto which struck the rear of a car driven by Kenneth H. Landers, Roxana, at 7:30 a.m. Friday on Interstate 270 about 3½ miles east of the Mississippi river. He was taken to St. Elizabeth Hospital.

Injured on Highway

Mrs. Donna Galt, 19, of 2435 Delmar avenue, was taken to St. Elizabeth Hospital at 4:10 p.m. Thursday with hip and leg injuries sustained in a traffic accident on Route 50 a half mile west of Highway 159. She was released following x-rays.

Joseph Buzar, 39, of 3901 Lake drive, suffered chest, back and rib injuries in a traffic mishap Friday morning and was hospitalized here. Details of the accident were not available.

Sfc Stoits Awarded Bronze Star Medal

Army Sgt. Pandelis Stoits, whose wife and children reside at 1641 Delmar avenue, recently was awarded the Bronze Star Medal for meritorious achievement in ground operations against hostile forces in Vietnam.

The career Army man returned home from Vietnam on Jan. 10, spent 30 days with his family here and departed earlier this month for duty in the Frankfurt area of Germany.

The citation accompanying the Bronze Star, reads in part: "Sergeant First Class Pandelis Stoits for distinguishing himself by outstanding performance in meritorious service in connection with ground operations against hostile forces in the Republic of Vietnam during the period Feb. 1, to

Nov. 30, 1969. "Through his untiring efforts and professional ability, he consistently obtained outstanding results. He was quick to grasp the implications of new problems with which he was faced as a result of the everchanging requirements of both combat and pacification missions and to find ways and means to solve those problems.

The energetic application of his extensive knowledge has materially contributed to the efforts of the United States Mission to the Republic of Vietnam and to its people, assisting them in ridding themselves of the communist threat to their freedom. His initiative, zeal, sound judgment and devotion to duty have been in the highest tradition of the United States Army and great credit on himself and the military service."

The medal was authorized by Maj. Gen. John M. Wright Jr., U.S. Army, commanding officer of the 101st Airborne Division (Airmobile).

A 20-year Army veteran, Sgt. Stoits served in Vietnam with the 101st Airborne Division during his tour of duty last year. It was the second time the soldier saw action in the Vietnam combat area.

Early in his Army career, Sgt. Stoits was assigned to duty in Germany, where he met and married his wife, Irmgard. The serviceman was sent to the Granite City Army Depot in 1966 and the family has continued to make their home here since that time.

They have three daughters, Renate, 20, Barbara, 16, and Helen, 15, and a son, Peter, 14. Mrs. Stoits and the children plan to join Sgt. Stoits in Germany, where she has relatives residing in the British sector, near Hanover.

Close Planning Needed for County to Attain Fullest Potential

(First of a Series)

Economic and urban growth in Madison County and the Illinois area during the next 20-year period will require orderly, systematic planning to achieve the fullest potential of development, it is stressed in the county land use and transportation plan recently completed by the Southwestern Illinois Metropolitan Area Plan Commission.

The report emphasizes that available land in the county be considered as a natural resource requiring that comprehensive land use plans be followed to properly exploit it.

The voluminous report, prepared for the Madison county board supervisors, covers areas of land use, population, industrialization, transportation, recreation, education, business, and other activities having an

effect on the social life of the region.

The report foresees that the population of Madison and St. Clair counties will increase to \$2,500 by 1975, to 704,000 by 1990 and \$2,100 by 1985.

A principal requirement to transportation facilities, including a rapid transit system, a huge metropolitan jet airport in Madison county and completion of the interstate highway system to link the two counties with all major cities in the state and nation.

These links will encourage and make possible the growth of Madison and St. Clair counties as a more important factor in the St. Louis metropolitan area. Greater coordination will be required in developing and expanding water-sewer facilities, especially along the lines of

drainage basins and utility districts, the report continues.

Income, Leisure Time
The plan also stresses the overall levels of income, education and amount of leisure time of residents of the area along with improvements and innovations of technology.

The plan calls for a district change in the character of residential, commercial and industrial development, with well designed residential subdivisions, shopping centers and industrial parks.

Concentration of population should be centered along the western end of the county with three residential complexes—the Quad Cities, Alton-Vood River and Collinsville-Edwardsville. This will require a greater commitment of funds and resources to prevent complete fragmentation and paralyis.

Residents should be prepared to accept a wider range of housing types and cluster urban development areas atop the bluffs, and that residents will not insist on retaining only predominantly single-family residential areas, the report points out.

Traffic Congestion
As traffic congestion continues to increase with the increase of private autos and trucks, there will be a demand for a rapid transit system, especially from the new airport and industrial complexes to the St. Louis business district.

Recreation facilities will be further developed, including the new Horseshoe Lake state park, and other regional park and open space programs should be implemented, especially along rivers and streams.

Corps of Engineers will construct a new lock and dam on the Mississippi River in the Alton area, and that the outlet built through Monroe and St. Clair counties, which connects Interstate 55-70 in Madison county with Interstate 55 from south St. Louis county, will be constructed.

The report also sees continued expansion of Southern Illinois University-Southwestern to a new area-wide need for more adequate higher educational facilities, as well as completion of canalization of the Kaskaskia river, which will have an effect here, and continued operation of Scott Air Force Base.

Details in the various phases of the report are designed to give each person a chance to interpret and evaluate the plan in the light of the above assumptions.

GC Clean Air Board Tells Committee State Cause of Blocking Full Pollution Control

Although a number of Granite City industries have effected major equipment revisions, switched from coal to oil or gas-fired boilers and have added or improved dust collection systems, the improvements are not reflecting the anticipated decrease in concentrations of particulate pollutants, Prof. Erwin Hoelscher, technical secretary of the Granite City Air Pollution Control Board, has told the Illinois House Air Pollution Study Committee.

In a statement filed with the study committee in connection with last week's public hearing held in East St. Louis, Hoelscher said that the Granite City Air Pollution Control Board believes that if significant reductions in emissions in its jurisdiction are to occur, a capability must be developed to permit random inspections for compliance from all emission sources. Frequent inspections or the threat of such inspections are strong motivation to insure that the original emission level is maintained.

"The city of Granite City proposed to develop this capability and the Illinois Air Pollution Control Board approved a request for a federal grant to the Department of Health, Education and Welfare," Hoelscher said in his statement.

Grant Request Favored
"In a meeting in Springfield with the regional office of HEW and with representatives of the Illinois Air Pollution Control Board, it was informed that the federal agency had found our proposal to be significant and if the approval of the state of Illinois could be obtained, the required steps for funding could proceed."

"However," Hoelscher continued, "the Illinois Air Pollution Control Board staff would not approve the application based on several objections. "At the request of the Granite City delegation to the meeting, the officials agreed to submit to Granite City the changes necessary to obtain state approval. As of this date, in spite of several requests, the desired changes have not been received and the grant was not funded."

As a result the procurement of equipment and training of personnel to provide the pollution control for air pollution control has been defeated."

He said the Granite City air board considers its primary function to be the evaluation of the sources of air pollution within its jurisdiction, requiring modification and replacement of equipment at emission sources to these emission levels, to meet air quality goals and to conduct a continuing improvement of air quality.

"We realize," he said, "that as a part of a federally designated air quality region and we do not intend to establish air quality standards independent of that region."

Hoelscher explained in his statement that the Granite City clean air board feels that its most valuable contribution to clean air would be to insure complete compliance with any mutually agreed upon emission standards for the region.

In further reference to the Granite City board's difficulty with the state board over approval of a federal grant, he said the city is required to enforce equipment and personnel, Hoelscher told the study committee.

"It is normal to expect that the programs and methods of state and local agencies would not be identical, but it is not unreasonable to expect cooperation and assistance rather than opposition from a state agency."

He noted that an effective approach would be to have a joint administrative Air Pollution Control Office administered by the city of Granite City would permit deployment of the state staff on problems of inter-county or interstate character and reduce the expenditure of state funds available to the city.

"The expense of the Granite City Air Pollution Control Office are met entirely from the funds available to the city," the regional secretary pointed out, adding that "the city government and the interested citizens feel that this expenditure is required to attack the problems of air pollution in their city."

"If they could be assured of adequate and effective state enforcement at the municipal level, they would be happy to turn the entire problem over to the state and devote the funds to other important local requirements."

Hoelscher concluded by noting that "we would hope that through the efforts of this committee that new legislation will be forthcoming to provide a state capability for continual effective enforcement or that the conditions under which the state operates in Air Pollution Control

be modified so that Granite City and other municipalities of its kind will be able to meet both financially and technically rather than hindered in controlling air pollution in their boundaries."

The statement was filed with the study committee after early adjournment of the public hearing in East St. Louis which precluded Hoelscher's appearance before the committee personally. Hoelscher is planning to appear before the committee during the afternoon.

Venice Township Highway Budget Set at \$22,580

A Venice township highway budget of \$22,580, up \$2759 over last year, has been posted for public inspection at the Venice township office, Arthur "Cooper" Moore, township supervisor, announced Friday.

The budget will remain on file until March 31 when it will be presented for final approval in a public hearing that will be held in the township office at 7 p.m. on that date, Moore said.

Moore said computation of the budgets of the town fund and general fund, and the budgets should be publicly posted within the next few days. The township board meeting is scheduled the night of April 7, Moore said.

The annual township meeting will be held April 14 under a new state law, effective this year, which changes the annual township meeting date from the first Tuesday of April to the second Tuesday of the month. The change was made because the annual meeting under the old law fell on the same day as township elections in odd-numbered years.

The new Venice township highway budget reflects minor increases in five separate accounts, with a total of \$11,600 provided for road maintenance during the 1970-71 year, as compared with \$11,400 last year. The fund for road milling is set at \$6350, up from last year's \$5942. Other funds are \$540 for weed control, \$240 for administration and \$1000 for contingencies.

Last year, the weed control budget was \$533, administration cost was \$1646 and contingencies \$900. Customarily the electors levy for the full amount of the highway fund budget, but the final amount of the levy depends upon what balances are shown when the supervisor and highway commissioner make their annual financial reports in early April. Declaring for the annual reports is the first Tuesday in April.

Venice township last year budgeted \$71,013 for its town fund, but because of balances resulting from receipt of tax collector commissions required a tax levy of only \$15,000. Last year's general assistance fund budget was \$84,008 and required a levy of \$15,000.

Home from Convention

Dr. Larry O. Tadlock of Granite City has just returned home from a scientific meeting in Chicago, the 88th annual convention of the Illinois State Veterinary Medical Association. The three day gathering, which ended last Tuesday, was a continuing education program attended by over 500 veterinarians.

Visitor Coordinator Named for SIU-SW

Miss Annette Malvary has been named coordinator of university visitors at Southern Illinois University-Southwestern. The new responsibilities were given to her by Chancellor John S. Randleman on Friday.

Miss Malvary will continue in her capacity as university information officer. A resident of Edwardsville, she joined the SIU-SW staff in 1968 after serving as chairman of the speech and theatre department at McHenry College.

She holds both bachelor's and master's degrees from SIU at Carbondale. She is coordinator of visitors, she will work with university staff and students, and with the public.

Meeting March 9 on Exceptional Children

The March 9 meeting of the Council For Exceptional Children will be held at 7:30 p.m. at Lake elementary school, Granite City. Theme of the meeting will be "The Challenge of Gifted Children."

Mrs. Sally Sowell, director of the gifted program of the Granite City school district, will present a talk on "Teaching the Gifted Child" and will also discuss the curriculum for gifted students in the Granite City district. All interested people are welcome to attend.

Worker Seeks \$50,000 After Plant Accident

A suit for \$50,000 has been filed for William A. Perrin against A. O. Smith Corp. and Seebold Construction Co. in Madison county circuit court as a result of injuries sustained last Nov. 14 while he was employed as an ironworker on a construction project at the local plant.

According to the complaint, Perrin, 39, was injured while pushing an iron wagon on an access road which contained dirt, gravel and mud when the wagon rolled back on him. Negligence was charged.

Visitor Coordinator Named for SIU-SW

Miss Annette Malvary has been named coordinator of university visitors at Southern Illinois University-Southwestern. The new responsibilities were given to her by Chancellor John S. Randleman on Friday.

Miss Malvary will continue in her capacity as university information officer. A resident of Edwardsville, she joined the SIU-SW staff in 1968 after serving as chairman of the speech and theatre department at McHenry College.

She holds both bachelor's and master's degrees from SIU at Carbondale. She is coordinator of visitors, she will work with university staff and students, and with the public.

Worker Seeks \$50,000 After Plant Accident

A suit for \$50,000 has been filed for William A. Perrin against A. O. Smith Corp. and Seebold Construction Co. in Madison county circuit court as a result of injuries sustained last Nov. 14 while he was employed as an ironworker on a construction project at the local plant.

According to the complaint, Perrin, 39, was injured while pushing an iron wagon on an access road which contained dirt, gravel and mud when the wagon rolled back on him. Negligence was charged.

County Zoning Board Schedules 4 Hearings

On-site public hearings will be conducted March 11 by the Madison county zoning board of appeals on three petitions for rezoning and special use permits in Nameoki and Chouteau townships.

Set for 10:30 a.m. is the petition of Illinois Power Co. to rezone four tracts of land from agricultural district to M-3 heavy industrial district in Nameoki township.

The tracts are located off Route 162 about two miles west of Peters Station at Stallings, adjacent to the new Westinghouse Corp. development. Two of the tracts, owned by Theodore Katsberg, are being purchased by IPC.

A hearing at 9:30 a.m. will be on the petition of Elwood Glasser for a special use permit to place a mobile home in an R-4 single family residence district in Nameoki township at the intersection of Bend road and Route 203.

Set at 11:20 a.m. is a hearing on the petition of Charles M. Schwarz for a special use permit to place a mobile home in an M-2 general manufacturing district in Chouteau township, located on Chouteau Slough road.

The board will conduct a hearing at noon March 9 on the petition of Auto Releasing Inc., by Albert Cassen, president, to rezone four tracts from agricultural to residential districts and another from agricultural to highway business district with a special use permit for a sewage treatment plant in Edwardsville township. The area is adjacent to the Sunset Hills country club fronting on Route 157 and Country Club road.

Social Security Answers

Answers to questions most often asked by persons qualifying for social security benefits are answered by Ralph Brasher, district manager of the Social Security Administration offices in East St. Louis.

Answers to several questions appear in this article. Persons with questions may mail them to Ralph Brasher, district manager, Social Security Administration, 650 Missouri avenue, Room 104, East St. Louis, Ill. 62201. Telephones at the offices are 274-2200, Extension 328, and 387-5330, Extension 328.

The latest answers follow:
Q: I have heard people using the term "lifetime reserve" when talking about Medicare. Could you please explain what this means?

A: The 1967 Social Security Amendments added a "lifetime reserve" of 60 additional benefit days to hospital insurance under Medicare. These days, which are not renewable like

regular hospital benefit days, can be drawn upon after the 90 days available in a benefit period are exhausted.

Q: I filed for Social Security at age 62 and am now 88 years old. The past two years I have worked. How do I know if these later earnings will increase my benefit check?

A: If you work after you start getting benefits and your added earnings will result in raising your average monthly earnings, your benefit will be automatically refigured after the additional earnings are credited to your earnings record. You will be notified of any increase.

Q: My daughter recently married. Does she have to notify Social Security of her new name?

A: Yes. Advise her to contact the nearest Social Security office to obtain card OAN-7003; upon completion the card should be returned to the Social Security Office.

\$125,000 Suit Filed Over Traffic Accident

A suit for \$125,000 has been filed for Mary Virginia Berry, conservator of the estate of John W. Berry, against Gush-leff Distributing Co. of Madison and Walter L. Cich, a driver for the firm, in Madison county circuit court at Edwardsville.

According to the complaint, Berry's auto, stopped on McCambridge avenue to make a left turn onto Second street in Madison, was struck from behind by a truck driven by Cich, causing severe and permanent injuries on May 13, 1968. Negligence was charged.

Minor Fires Reported

Firemen were called to a weed fire at 9 p.m. Thursday at the West Side tavern, 1034 West 20th street, and at 10:30 p.m. Thursday to the lot at Curt's grill, 1623 Madison avenue, where some spilled gasoline was burning. There was no damage.

Bi-State Agency Seeking Support Of Transit Bill

The Bi-State Development Agency has urged representatives in Congress from the Illinois-Missouri area served by the Bi-State Transit System to support President Nixon's Public Transportation Act which was approved by the Senate on Feb. 4. Hearings on the bill are to get under way in the House on March 4.

Col. R. E. Smyser, executive director of the Bi-State agency, said in a letter to the congressmen that "the federal government must accept a greater share of the overall cost of urban transportation systems and assure long-range commitment of funds for improvements."

He told the congressmen that "in the critical years ahead, present systems must be improved to make them compatible with rapid transit operations when they are initiated, but the downward trend in patronage of public transportation and rising operating costs put a pinch on improvements."

The Bi-State Development agency last week adopted a budget for the transit system for the fiscal year beginning March 1 which indicates a \$515,000 deficit in money for depreciation and capital improvements.

Bi-State agency currently has two requests pending under the Urban Mass Transportation Act of 1964 as amended. The first, submitted last October, is for a grant of \$1.6 million to provide 60 new buses for use in the Illinois portion of the area. Matching funds for this grant already have been provided by Illinois.

The agency wants to acquire additional equipment for improvement of service in the Missouri area but lacks local funds. Col. Smyser said. For this reason, Bi-State Commissioners last week authorized the agency to submit a request to the State of Missouri for a grant of \$900,000 for buses and other improvements.

Teleshows on Writing To be Aired on Ch. 9

Nine teleshows in how to write effectively will be telecast on Channel 9 at 9 p.m. Mondays beginning March 9 and repeated at 5:15 p.m. Tuesdays, beginning March 11.

Albert M. Joseph, a member of the faculty of Case-Western Reserve University and former editor-in-chief of a national magazine, will teach "Put It in Writing," which will include lessons in organizing thoughts, picking words to suit one's purpose, and the art of paragraphing and sentence construction.

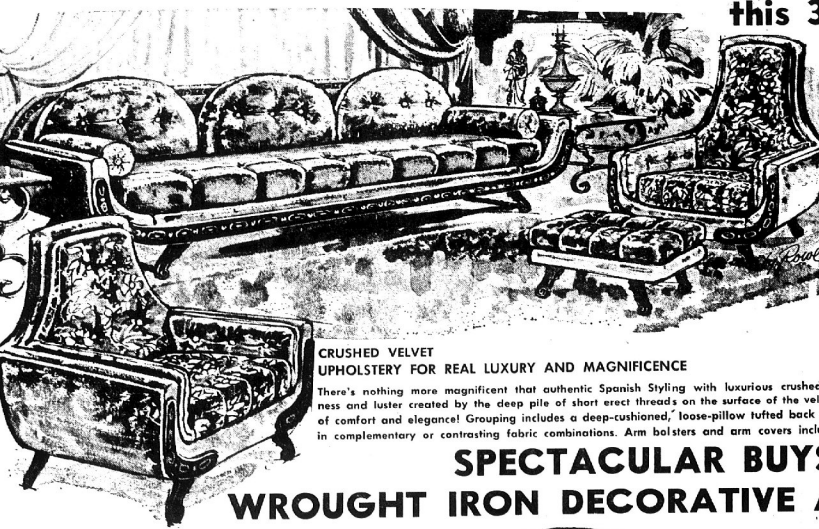

Along the way, Joseph will debunk some English rules, such as never ending a sentence with a preposition or starting one with "and," which he says causes stilted writing.

Training Session Friday On Jet Injector Method

A special instruction session for local physicians and registered nurses on use of jet injector equipment, to be utilized in administering Rubella (German Measles) vaccine, will take place at 7 p.m. Friday at the Southern Illinois University-Southwestern campus.

In announcing the training workshop, Dr. Felicia D. Koch of Granite City, said the instruction will be provided by James Donohoe, federal coordinator for the state of Illinois Rubella Vaccine Program.

The session will be held in Room 2405 in SIU-SW's Peck building. Parking space for those attending will be available in Parking Lot B, west of the Student Center, Dr. Koch said.

The local physician is serving as coordinator for volunteer medical personnel who will assist in the Rubella inoculation program, set for March 10 and March 11 in Quad-City schools.

School nurses unfamiliar with the jet injector method are especially urged to attend Friday's session.

Dr. Koch again reminds parents of pre-school through third grade children planning to be inoculated with the free German Measles vaccine that their

child should not receive any virus vaccine, such as polio, measles or smallpox, for at least two weeks prior to the Rubella vaccination.

Any pre-school through third grade child who will receive the Rubella vaccination through the special county-wide program should not be brought to the immunization clinic at St. Elizabeth Hospital on Saturday for other scheduled vaccinations, the physician stressed.

Sufficient Rubella vaccine to inoculate children from 12 months through the third grade age level will be furnished by federal and state health agencies for the vaccination program in local schools.

Parents also are reminded that a formal permission slip must be signed by a parent or guardian prior to the inoculation being given. Parental permission forms are being sent home with kindergarten through third grade youngsters. The required forms also are available at all local schools for distribution to parents of pre-school-age children.

Authorities caution parents not to confuse the Rubella vaccine with regular measles vaccine, noting that the new immunization vaccine was not available before July 1969.

'If Someone's Been Selling You Sacks of Diet Pills, He's Not In Business for Your Health...'

Some of the men called "fat doctors" are getting rich selling diet pills.

The diet pills they sell are actually powerful drugs — amphetamines, barbiturates, hormones, diuretics, thyroid, digitalis.

Taken in excess, or in dangerous combinations, or without proper supervision and adequate checkups, these drugs

can have severe effects. Even fatal.

If you take diet pills, make sure you know exactly what you're getting. And from whom. Make sure weight is all you lose.

For more facts about drugs, write for free booklets to: National Institute of Mental Health, Box 1089, Washington, D.C. 20013.

DEMOS LOSING because OF EXCLUSION TACTICS

To the Editor:

What has happened to the Democratic party in Illinois? At the Democratic dinner in Alton on Feb. 22, 1970, Representative Kennedy expressed concern about the declining participation of Alton voters in Democratic primary elections. And Congressman Shipley was justifiably unhappy about Illinois having two Republican U. S. senators.

It was informed that only 12 of 39 Alton Democratic committee members attended the dinner.

May I suggest that the reason Illinois has two Republican U. S. senators, the reason Dan Rostenkowski lost the election in 1968, and the reason participation in the Democratic primary election has been declining everywhere in this state is that our party, the people's party, has become a closed club.

Those who pretend to lead have excluded too many of us by trying to prevent open, friendly primary elections. We who have been excluded are in good company, however, because at the dinner on Feb. 22 George Washington's name was never mentioned.

COUNCIL GROUP TRIES TO AID PUBLIC DEMOCRACY

To the Editor:

I am answering an editorial in the Feb. 5 issue concerning the matter that a majority of the council was in some respects aligned with the network of neighborhood power groups, and that some are not for the needs of the public.

In defense of so-called power groups, I can say that the majority of the council works for the good of the people.

We, as council members, are equally responsible to every citizen for their well-being.

The council members all have a love for democracy and will voluntarily come forward for the rights of others.

The "majority's" aim is working together toward a common goal—to serve the people of the city who elected them.

In speaking of the majority of the city council, look back a few years. Who had the majority then?

Why the change? To answer these questions, the reader must do some checking.

Sometimes the press commits sins of offense by attacking public officials without a reason.

For example, the press condemns the action of a person or persons in a front page story. The possibility of error is a characteristic of all. When it occurs in a newspaper, the apology for the error is printed as a small item, which is stuck away in a secluded spot on an inside page.

The press also offends by what is called faint praise. An editor may be opposed to a certain group or a certain

Partney Supports Bargaining Right Of State Workers

Support of collective bargaining for state employees was pledged today by David Partney, Granite City, Democratic candidate for state representative of the 59th District, who said he believes such a policy would be of direct benefit to the public through the added endeavors of workers with an elevated status in life.

Partney said that it is the policy of organized labor to support any group of reputable people in their effort to elevate their station in life, and human dignity and prestige demand that an employee's morale must be supported by "an income commensurate with that required to maintain and preserve pride."

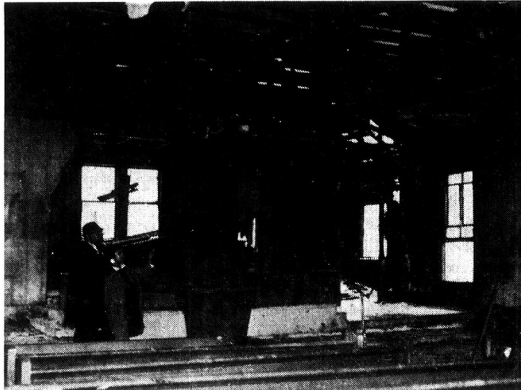

The candidate said: "Insufficient financial support leads directly to loss of interest in work, a decrease in efficiency and general destruction of the very moral fibre of employees. Large, by allowing and supporting state employees to organize, we are not only encouraging greater harmony and efficiency among our personnel, but we also will be in a position to demand the highest qualities desirable in public servants."

Says Bargaining Pays "In short, it is to our advantage—the public's advantage—to encourage collective bargaining rights for our state employees. It is all too true that collective bargaining does not cost—it pays. It pays dividends to those who give, as well as those who receive. I therefore pledge support for such legislation."

As for hospital insurance, sick leave payment and time and a half, I believe that after acquiring collective bargaining rights, these factors should be included in their negotiations."

Partney at the same time took a stand against patronage jobs which he said are used primarily "to derive a 'lug' fee for political bosses." Partney added that patronage jobs tend to cause great unrest and uncertainty of job continuance upon change of administration, regardless of the degree of efficiency shown by a worker.

"Taxpayers are entitled to the most their dollar can buy, especially in such an inflationary period," Partney said. "The employee who is grossly underpaid to begin with can hardly be expected to operate at peak efficiency when worried, not only at being underpaid but also disturbed by a further political 'lug bite' as payoff for the privilege of earning a living."

11 GC Steel Employees Retire; Total 341 Years

Eleven long-time employees of Granite City Steel Company, whose accumulated service amounted to 341 years, retired this month from the local steel

mill. Seven are residents of Granite City.

Two Granite Cityans, each employed 45 years by the company, are Lowell Jolly, 65, of 1148 Rhodes street, a standards checker-specialist in the Industrial Engineering department, and Kirby "French" Favier, 62, of 6 Nassau drive, a galvanizing line chairman at the North Plant.

Job Corps Recruiter Here Each Wednesday

First-hand information about a Job Corps training program, sponsored by the AFL-CIO Appalachian Council, through which out-of-school youths may learn a trade and receive assistance in finding employment, is available each Wednesday in Granite City from a council representative.

Youths, 16 to 21 years, and their parents, interested in the training program are invited to meet with Theodore D. Thomas, staff representative of the AFL-CIO Appalachian Council, between 10 a.m. and 3 p.m. Wednesdays, at the Coordinated Youth Services office, 1255 Niedringhaus avenue.

Films and literature are available, detailing the Job Corps project which is conducted at urban and rural training centers, Thomas said. Appointments with the Job Corps recruiting officer can be made in advance, by calling 876-2383.

Interview sessions on alternate days also may be arranged for youths or parents unable to meet with the AFL-CIO staff member on Wednesdays, by calling the same telephone number.

135 Seats for 1970 'Ice Capades' Trip

The Granite City park district has been allocated a total of 135 reserved seats for the 1970 "Ice Capades" show on Thursday, March 26, at the St. Louis Arena, Harold Brown, park superintendent said today.

Persons interested in attending the show should make reservations as quickly as possible, Brown said, noting the disappointment expressed by many who found tickets sold out in previous years. Deadline for making reservations at the Wilson Park office is Monday, March 16.

Seating in the Arena Circle, which affords patrons an excellent view, will cost \$4.75 for adults and \$3.25 for children under 16 years. The ticket price includes the cost of round-trip transportation by chartered bus, Brown said.

Buses will depart the Wilson Park ice rink parking area at 6:30 p.m. March 26. Reservations also will be accepted by calling the park office at 877-0959 prior to the March 16 deadline.

McNair Sentenced to Term of 15-20 Years

Eugene McNair Jr., 41, of Venice, was sentenced to a term of 15 to 20 years in the state penitentiary at Menard Thursday by Circuit Judge James O. Monroe.

He had pleaded guilty to the murder of O. C. Ward of Venice on Nov. 30, 1968. Ward's body was found later off Bend road near Horseshoe lake.

A motion to withdraw a guilty plea was denied by the court. Also charged with murder in the case was Ward's widow, Mrs. Priscilla Ward, 38, of Venice, but the charge was dismissed by the court.

Kucharski Main Speaker at GOP County Banquet

The annual Lincoln fund-raising dinner sponsored by the Madison County Republican Central committee will be held at 6 p.m. Wednesday, March 11, at the Mineral Springs Hotel in Alton.

Edmund J. Kucharski, the Republican candidate for state treasurer, will be the principal speaker. Richard B. Ogilvie, governor of Illinois, will attend to introduce him.

All of the Madison county candidates and other state candidates will be in attendance. Tickets are available from the R. J. Walters Public Relations & Advertising Office, 530 E. Broadway, Alton, Ill. 62002 at \$10 per person.

You get ALL these benefits ONLY when you choose AMIBEN (TODAY'S NO. 1 SOYBEAN HERBICIDE)

1. KILLS BOTH GRASSES AND BROADLEAF WEEDS—Today's only full range soybean herbicide.
2. GETS RAGWEED, SMARTWEED, VELVET LEAF—big broadleaves other herbicides miss.
3. SAFE TO SOYBEANS—won't injure crop or seed.
4. NO WET WEATHER HAZARD—safest weed control you can buy.
5. NO RESIDUE OR CARRYOVER. Out of the soil by harvest.
6. FULL SEASON RESULTS. Works from planting right through harvest.
7. WORKS WET WEATHER OR DRY. Apply Amiben when you plant, directly onto freshly turned MOIST soil.
8. LIQUID OR GRANULES—both equally effective.
9. GREATER CONVENIENCE—Amiben liquid goes into true solution with simple stirring. (No emulsions, slurries, pre-mixing, or agitation.) Granules are dust-free, free-flowing.
10. NON-BURNING, NON-IRRITATING TO SKIN—both liquid and granules. No protective clothing or special handling precautions.
11. WIDE RANGE OF SOIL TYPES. Follow label directions.
12. FULLY PROVED COMMERCIAL—by farmers, for more than 5 years—in all soybean growing areas.
13. WORKS PREEMERGENCE—Incorporation recommended only when you plant in low soil moisture.
14. GREATER ECONOMY—You can apply Amiben either in a band, over the row, or broadcast. Band applications (plus between the row cultivations) are the most economical and you get near-perfect weed control where it counts—in the row. No other herbicide gives you such outstanding value for your dollar.

*\$3.10 per acre banded—at 1970 prices for the 2 lb. rate of liquid Amiben recommended for all but the heavy or high organic soils.

'Change and the Law'

Granite Cityan's Husband Is Recognized Author

"Radical changes in social values and modes of political and legal thought can be accomplished peacefully and reasonably under the rule of law," Dr. W. Robert Goedecke argues in his recently published book, "Change and the Law."

Dr. Goedecke, an associate professor of philosophy at Florida State University at Tallahassee, is the husband of the former Miss Gloria Zlatz, daughter of Mr. and Mrs. Stephen Zlatz, 2666 Benton street.

Copies of his book have been ordered by the Granite City public library and the Madison county board of education and may be obtained at a St. Louis department store.

DR. GOEDECKE

Dr. and Mrs. Goedecke were married on the campus of Southern Illinois University-Southwestern when the former was a member of the SIU-SW faculty. They are the parents of three daughters, Tracy, Stephanie and Mary.

The professor taught four years at the SIU-Carbondale and Southwestern campuses before accepting a visiting professorship 3½ years ago at Florida State.

The couple decided to remain in Tallahassee when Dr. Goedecke was offered a faculty appointment at the Florida State University, where he now teaches philosophy of law, the history of philosophy of law, a native of Gary, Ind., Dr. Goedecke received his basic education in law and philosophy at the University of Chicago. He has published articles on the nature of the political process, pragmatic jurisprudence, legal rights and the foundations of American constitutional law.

Articles appearing in 1970 publications include "Legal Pragmatism vs. Legal Formalism" in the Journal of Value Inquiry; "The Law and Language" in Philosophy and Phenomenological Research; and "Aristotle's Search for the Perfect State" in Southwest Philosophical Review.

Works in progress are a translation-commentary, "Aristotle's Metaphysics," and an education and law article — "Can Brent Swisher and the Philosophy of History?" The Reviewing Dr. Goedecke's book, "Change and the Law," Professor Ramon M. Lemos of the University of Miami, states: "An impressive piece of scholarship, exceptionally well argued . . . suffused throughout

with a genuine humaneness, openness and tolerance which is find impressive and even inspiring."

Dr. Lemos continues in his review — "I think that it is just the thing that is needed to counteract certain liberal approaches to law and politics prevalent today not only among the critics of the right but also among certain liberal activists of the new left who mistakenly prey themselves on their own liberality. Indeed, I think it is not too much of an exaggeration to refer to it as a magnificent piece of work."

His reason for writing the book, Dr. Goedecke comments, "was to counteract, in whatever small way possible to an individual private citizen, the growing tendency toward authoritarianism and the public acceptance of authoritarianism in America today."

"The rule of law is inseparable from dissent, argument, conflict and fundamental change, and offers the great alternative to repression, riot and violence in periods of social transition. The foundations of the modern rule of law are traced to changes and conflicts in the emergence from feudalism, in the philosophy of the peaceful English revolution of 1688 and in the quietly revolutionary changes brought about by Thomas Jefferson in politics and law in the United States."

Arguments and opinions expressed by Supreme Court Justices John Marshall, Stephen Field, Oliver Wendell Holmes Jr., Hugo Black and Felix Frankfurter are used by the author to expand on the theories about which the book revolves.

Radio Kwk to Move To Chouteau Island

Radio station Kwk will move from St. Louis to Chouteau township with a new building and six new antenna towers to be erected on Chouteau Island. It has been announced. The project has an estimated cost of \$125,000.

The license for the station, a Mutual network affiliate, recently was issued to Vic-Way Broadcasting Corp., following a 10-year legal battle. It plans to begin construction soon. A building permit was issued last week by the county.

The building permit exempts the county from any responsibility if the station's antennas are not approved by the Federal Aviation Agency. The station recently adopted a "soul" format.

\$311,820 Contract Let for County's Nursing Home Job

Korinek & Son Co. of Collinsville was awarded a contract Thursday afternoon to convert the Madison county tuberculosis sanatorium into a county nursing home.

Korinek submitted a low base bid of \$261,000 plus alternate proposals raising the total to \$311,820.

Air conditioning of corridors in the three-story building is to be negotiated with the contractor, according to Lawrence Lockhart of Granite City, president of the sanatorium trustees. A total of \$350,000 of excess sanatorium funds was set aside for the conversion. The TB clinic is to continue to operate on the first floor of the building until a new clinic structure is erected on the sanatorium grounds.

Bids for the new clinic are to be opened at 2 p.m. Thursday by the trustees. The former sanatorium will accommodate 96 nursing home residents. It will replace the current nursing home in Edwardsville which is licensed for a maximum of 59 residents.

Three Army Depot Employees Nominated for Award

Three local residents have been selected to represent the Granite City Army Depot in the 15th annual Federal Civil Service Employee of the Year awards program. The winners will be announced and honored at a banquet to take place Friday, March 13, at Stouffer's Riverfront Inn, St. Louis.

Representing the Depot in competition for top honors with other federal employees in the Greater St. Louis region will be Mrs. Linda J. Tanksley, 2917 Edwardsville road; C. Wayne Banks, 3203 Newell drive; and Mrs. Pauline B. Weir, 3276 Wash-bash avenue.

Principal speaker at the banquet will be Robert L. Kunzig, General Services Administrator. A. Carl Weber, vice-president of Laclede Steel Co., will serve as master of ceremonies.

Local federal agencies have nominated a total of 36 candidates representing three categories—administrative services, managerial and technical and professional and scientific—for the awards.

Nominees will be judged on their exceptional performance and devotion to federal service, participation in community activities and achievements through education to improve their individual value to the agencies they represent.

Supervisory Auditor
The Granite City Army Depot's winner in the professional and scientific category is Mrs. Pauline B. Weir, supervisory auditor, who has been nominated for area-wide honors in the same division at the March 13 awards program.

Mrs. Weir embarked on her civil service career in 1936 as a member of the housekeeping aid project under the Federal Works Program. She joined the depot ranks in September 1942 when she was employed by the Corps of Engineers as a clerk-typist.

Progressively, she was promoted to higher positions and was appointed to the position of

MRS. PAULINE WEIR

MRS. LINDA TANKSLEY

C. WAYNE BANKS

fiscal officer at the depot in 1946. In 1948, Mrs. Weir was appointed supervisory auditor, the position she presently occupies.

According to GCAD authorities, Mrs. Weir has an outstanding record of job performance, self-development and community activities. She has been cited for her outstanding contribution to the depot savings bond program, a project she has coordinated for several years.

Depot Controller
Selected winner in the managerial and technical category, C. Wayne Banks, depot controller, entered the federal civil service in July 1945 as a clerk. He progressed rapidly to higher positions and attained the responsible post of depot controller in August 1969.

In addition to an outstanding record of performance of official duties, Banks has been active in many community projects and has achieved a commendable record of self-improvement.

His educational qualifications include a Bachelor of Science degree and completion of 18 semester hours toward a Master's degree, both at Wash-

ington University, St. Louis.

Chosen as the local military installation's winner and nominee in the administrative services category, Mrs. Linda Tanksley serves as secretary to the director for administration. She entered civil service in August 1965 as a clerk-typist.

Mrs. Tanksley has an impressive record of outstanding work in her position and self-improvement. Depot officials pointed to the position of execu-

tive secretary to the administration director in June 1968. In this capacity, she has been involved in the overall coordination of administrative matters, not only of her office, but throughout the entire depot facility.

Mrs. Tanksley has an impressive record of outstanding work in her position and self-improvement. Depot officials pointed to the position of execu-

Charles Mikulcza, 81, Dies; Retired Carpenter

A suit for \$100,000 has been filed for Melvin D. Clements against C. H. Stenberg & Co. in Madison county circuit court as a result of injuries sustained on March 28, 1969, while he was employed as a lead carrier on a project at the Granite City Army Depot.

According to the complaint, Stenberg had contracted with George Slay to perform brickwork on a garage extension at the depot, and that Clements, employed by Slay, fell from a ladder while he was carrying concrete blocks up to a scaffold. The complaint alleges the ladder had a defective rung.

Mr. Mikulcza is survived by his wife, Mrs. Anna (Gaspary) Mikulcza; two daughters, Mrs. Veronica Manley of Granite City and Mrs. Mary Savka of Royalton, Ill.; one son, George Mikulcza of Fairmont City, Ill.; two stepsons, Andrew and John Yurko, both of Madison; two step-daughters, Mrs. Frank (Barbara) Feher of Belleville and Mrs. Al (Mary) Bakos of State Park Place; 22 grandchildren and nine great-grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end misalignment, under-inflation, over-inflation and running flat.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires against all defects of material and workmanship, for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire:

Tire Guarantee	Allowance
18-24 Months	10%
24-36 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
